## FASHIONABLE MARRIAGE

Miss Annie Taylor Busbee Weds Mr. Robert Love Thompson—Military Matters of Interest—Superintendent of Federal Cemetery Transferred—Farmers Alliance Elects Officers—Personal.

Raleigh, N. C., July 13.—A dispatch from Newton says:

The whole community is in mourning over the death of Newton's most distinguished citizen, Colonel Matthew Locke McCorkle, who passed away yesterday, aged 82 years. His health had been gradually failing for years. He had a fine mind, a warm heart and had the love and confidence of everybody in this section of the State. He was a devout member of the Reformed Church here, in which he was an elder. For many years he was superintendent of the Sunday school. At the time of his death he was president of the Board of Trustees of Catawba College, and had been its strong friend and supporter from its organization.

## FASHIONABLE MARRIAGE.

As pretty a morning wedding as Raleigh society has ever witnessed was solemnized at Christ Church yesterday morning when Rev. Dr. M. Marshall spoke the words that made Mr. Robert Love Thompson and Miss Annie Taylor Busbee man and wife.

Miss Busbee is one of Raleigh's brightest and most attractive young women. She is a daughter of Mr. Edmund H. Busbee, of this city.

Mr. Thompson is the son of Mr. Alf. A. Thompson, also of this city. He has been for the past year at Bremen, Germany, the representative of the cotton firm of which his father is a member. He is a most successful young business man, and his friends predict for him a brilliant future in the commercial world.

Mr. and Mrs. Thompson left on the 11:45 Southern train for New York, where they will sail for Germany. The most hearty good wishes and sincere congratulations of their friends here go with them to their far-away home.

## JUSTICE SEEKS JUSTICE.

The readers of the Virginian-Pilot will recall the fact that last winter, during the session of the General Assembly, a visiting lawyer named G. W. Justice, who at that time made Asheville his home, was arrested on the charge of the larceny of law books from the county court house and the capitol building.

After spending some time in jail Justice finally secured bondsmen and was released. But he has never appeared for trial at any court since.

Yesterday steps were taken, by the issuing of the proper legal papers, to secure the apprehension of the defendant (who is said to be now residing at Anniston, Ala.) and his return to this county for trial.
